

BSC AI Factory – Incubation Space

Resolution of the 1st Call for Incubation
Space of the BSC AI Factory:

In accordance with the timeline established for the 1st Call of the BSC AI Factory Incubation Space (application deadline: 17 September 2025; lottery: 18 September 2025; acceptance process until 26 September 2025; implementation period from 1 October 2025 to 31 March 2026), the selection procedure has been duly carried out in line with the Rules for Participation.

The procedure consisted of two stages:

1. **Eligibility Screening:** All submitted applications were assessed to verify compliance with the eligibility and selection criteria defined in the Call. Only those applicants fulfilling the requirements were admitted to the subsequent stage. Three of the proposals submitted could not be accepted because they did not comply with some aspect of the terms and conditions of participation.
2. **Random Allocation:** Among the eligible applications, a transparent random draw was conducted [[VIDEO LINK](#)] ensuring impartiality and equal opportunities for all candidates.

Upon completion of the above procedure, it is hereby resolved that **10 companies** are awarded beneficiary status under the 1st Call of the BSC AI Factory Incubation Spaces.

ANNEX 1: FINAL RESOLUTION AFTER CONFIRMATIONS

After a period of confirmation with all the companies and receiving all the information regarding the beneficiaries, these are the 10 companies that will ultimately participate in the first call for the BSC AI Factory - Incubation Space.

	Company	Resolution
1	Kimedes AI	Beneficiary
2	MAFER AI	Beneficiary
3	Axessible Technologies	Beneficiary
4	EasyMedAi	Beneficiary
5	ByBusiness AI	Beneficiary
6	Numerand	Beneficiary
